A Parish's Legacy

History is an important part of our School Community. St. James Parish has long been a dedicated partner and supporter of St. James School. We are part of their legacy, and we strive to honor that every day. Whether your children are the first generation to attend St. James School or the third they will be joining a community that will support them spiritually and academically. We believe that teaching compassion, community service, and moral responsibility are an important part of educating children as they grow to become the best versions of themselves.
